

Complete **FACADE** and **CLADDING**  
Solutions from **LA VITA HOMES**

## About LA VITA

Founded in 2015, LA VITA has brought many a buildings to life by using state of the art technologies and materials. We successfully transformed the appearance and functionality of buildings as per the requirements and needs of the clients. With our construction and commercial experience, we have become cladding and facade experts with a reputation for quality and professionalism.

## Vision

Having earned a good reputation in the cladding and façade contracting, our vision is to grow into a successful business grounded by our **CORE VALUES**. We want to strengthen our business by becoming the one stop shop for all façade and cladding related solutions i.e. from design to installation.

## Mission

We follow an organized approach when it comes to façade and cladding construction. This means the client requirements are properly understood before designing and planning so that we can provide a remarkable level of service to our clients at all times.

## Core Values

WE VALUE

**CONSISTENCY** as it helps build trust and confidence

**RELIABILITY** as it helps improve and make winning customer relationship

**QUALITY** as it helps ensure customer satisfaction

**COMMITMENT** as it helps maintain credibility

**TRANSPARENCY** as it ensures accountability and confidence in our capabilities

## Expertise

At LA VITA, we take the responsibility from design to installation. This includes budgeting & planning, design & development, product procurement, technical & technological support, and delivery & installation.

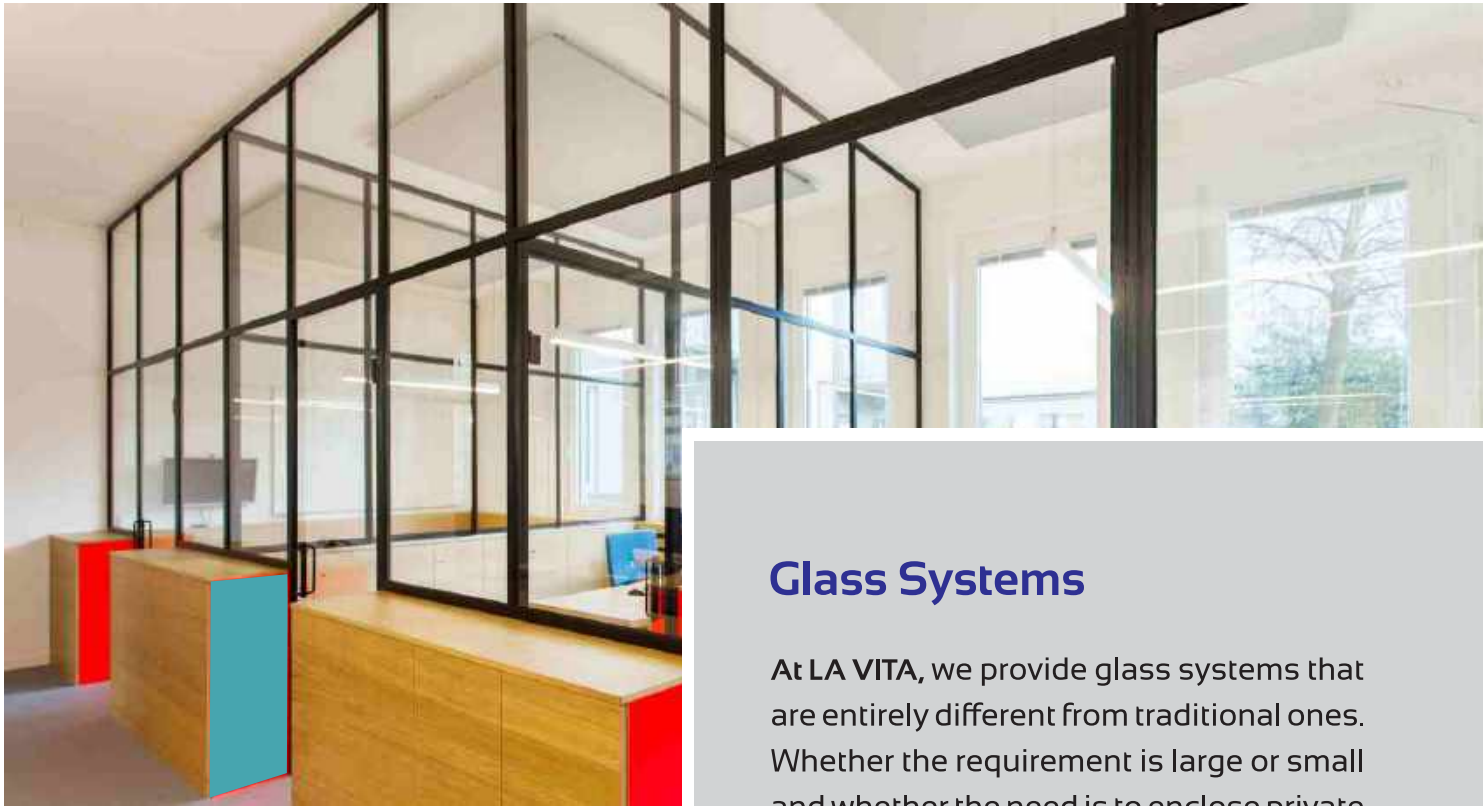

**We offer a myriad of solutions that include:**

- Rain Screen Cladding
- Curtain Walling
- Structural Glazing
- Canopies
- Skylights
- Glass Systems
- Windows and Doors

## Cladding & Glazing

Apart from adding a majestic charm to the building, Cladding & Glazing offers thermal insulation, weather resistance, sound insulation, and reduced maintenance and energy costs. Our team of experts provide exceptional Cladding and Glazing services customized to client needs. We come up with modest or intricate designs as per the requirement. We perform careful detailing, precise material selection

## Glass Systems

At LA VITA, we provide glass systems that are entirely different from traditional ones. Whether the requirement is large or small and whether the need is to enclose private or public areas, we offer glass systems that fit client needs. From glass roofs, walls, facades to internal glazing applications, we provide interesting solutions that take care of environmental, safety, and aesthetic aspects. Through our custom glass and installation services, our network of specialists offer varied and innovative options using the latest technology.

## Windows & Doors

Aesthetically designed doors and windows can transform spaces into something beautiful and stunning. At LA VITA, we ensure exactly the same by providing endless possibilities in terms of design, colour schemes and functionalities. Built with precision and with a keen eye for detail, our clients get absolutely perfect windows and doors that are tailored to their needs. We also help integrate windows and doors with different cladding and glazing systems.
